Two Die in Road Accidents

Two Crows Nest Pass men, Ronald Gary Huesdens, age 25, of Hillcrest, and Stephan "Steve" Bobrosky, age 54, of Frank, died violent deaths Saturday evening, October 10th, in motor vehicle mishaps. The two separate accidents happened on the No. 3 highway just over a mile apart, and in a space of less than five hours.

The first accident occurred at around 6:45 p.m. when Mr. Bobrosky was in collision with a car driven by 20-year-old Douglas Amatto, son of Mr. and Mrs. Rossi Amatto of Blairmore.

Mr. Bobrosky was returning to his home in Frank, and was a passenger in a car driven by Joseph Svoboda of Frank.

Mr. Bobrosky was let out of the Svoboda car on the south side of the highway, and was crossing the road to get to his home, when he was in collision with the car on the north side of the street.

The Amatto car was proceeding from Bellevue to Blairmore in a westerly direction. The vehicle was occupied by driver Douglas Amatto and a passenger, Miss Sharon Cole.

The accident is being investigated by Frank village police and the RCMP. Police, Coroner F. S. Radford of Blairmore, has ordered an inquest into the death, but date has not been set as yet.

The second accident happened about 11:40 p.m. on the No. 3 highway at the eastern entrance of Blairmore town limits.

A 1964 two-door hard-top car, driven by Lyle Harvey, formerly of Bellevue, and now of Kimberley, B. C., was proceeding east, when the vehicle failed to negotiate a slight curve and rammed head-on into a telephone pole.

Killed in the accident was Ronald Gary Huesdens, 25 years of age, only son of Mr. and Mrs. Peter Huesdens of Hillcrest.

Other passengers in the car were Joseph Grigel of Bellevue, attending school in Missoula, Mont., who was released from Crows Nest Pass Municipal Hospital Sunday; Joseph Buster Nastasi of Bellevue, and Ronald Ozar, formerly of Bellevue, and now of Edmonton.

Both men and Mr. Harvey are in the Crows Nest Pass Municipal Hospital, where they are being treated for shock, cuts, bruises and abrasions. The injured were all taken to hospital by Hall's Ambulance Service of Blairmore.

Blairmore town police are investigating the accident and Coroner F. S. Radford has ordered an inquest into the death, but the date has not been set.

Alberta Government Telephone men were called out shortly after the accident to testing wires and repair the telephone pole which was cut in half by the force of the impact when the car slammed into it.

Prayers for Gary Huesdens were said in St. Cyril's Catholic Church in Bellevue at 8:00 p.m. Monday, October 12th. Requiem High Mass was celebrated from St. Cyril's at 9:15 a.m. Tuesday, and interment followed in the Hillcrest Catholic cemetery. Rev. S. Henke officiated at the services. Fantin's Hillside Chapel was in charge.

Gary, 25 years of age, was born in Hillcrest on June 20, 1939. He attended public school in Hillcrest and high school in Bellevue. He was employed as a grocery clerk at the IGA Store in Bellevue. He was of the Catholic faith and was a member of the Hillcrest Miners' Club. He is survived by his parents, Mr. and Mrs. Peter Huesdens of Hillcrest.

Prayers for the late Stephan Gordon Bobrosky were said in Fantin's Hillside Chapel, Coleman, at 7 p.m. Monday. Requiem High Mass was celebrated in St. Anne's Catholic Church in Blairmore at 11:30 a.m. Tuesday, by Dean P. A. Tessier and interment followed in the Blairmore Catholic cemetery. Fantin's Hillside Chapel was

in charge.

Mr. Bobrosky, age 54 years, was born in Michel, B. C., on April 2, 1910. He attended school in Michel, and in 1927 the family moved to Blairmore, where Mr. Bobrosky worked in the West Canadian Collieries Mine. In 1932 the family moved to Frank where they took over and operated the Frank Hotel when the business was sold.

Since that time Mr. Bobrosky has worked at various occupations:—the last being with the Department of Highways bridge crew at Fort Macleod.

He sustained an eye injury two years ago and has been on compensation since. He was a member of the Blairmore Moose Lodge of Hillcrest, the Eagles Lodge of Michel and the Blairmore Credit Union.

He was predeceased by his father Mike at Frank in 1944 and his mother in Frank in 1939, and by a sister, Mrs. Tom (Annie) Kubik of Coleman in April of 1964.

Surviving are a brother Joseph, formerly of Blairmore and now at Sparwood, B. C., and two sisters, Mrs. Joe (Veronica) Margetak and Mary, both of Frank.

Senior Citizens Are Entertained

The Coleman Senior Citizens Organization held its monthly meeting last week when President Nora Goulding, delegate from Coleman, gave a full report on the National Convention held in Saskatoon, Sask., recently.

After a short business meeting the members enjoyed a variety program comprising a skit from Mrs. Audrey Bonnes, Blairmore, Grade Two class; two Thanksgiving hymns sung by the Blairmore United Church choir; piano accordion selections by T. Kropiak's accordion class; a piano and vocal solo by Gale Girhiny; piano solo by Valdene Salus, and a vocal solo by Miss Jill Ingram.

Minerva Chapter Holds Whist Drive

A successful whist drive was held on Thursday, October 15th by the members of the Minerva Chapter No. 41, O.E.S., after their regular meeting.

Whist honors went to—ladies' first, Mrs. M. Sullivan; 2nd, Mrs. M. Gleave; consolation, Mrs. J. Dean.

Gents first, Mrs. R. Lant; 2nd, Mrs. Edith Nelson; consolation to Mrs. C. Garner.

The travelling prize was won by Mrs. Schlegelger. Lunch was served by the members and an enjoyable evening was had by all.

"Sarko" Returns To Coleman

Sarko, the Danish hypnotist returns to Coleman area to prepare for his weekend shows at the Roxy Theatre.

As many will recall from last year, the show is hilarious and is intertainment for the entire family. To quote the Oliver Chronicle, "the most amazing demonstration ever witnessed here".

The pains we take often measure the gains we make.

Lethbridge Club At Fernie Nov. 4

President of the Coleman Legion Hockey Club, Vance Caskey, has announced this week that the local hockey season will get underway in Fernie on November 4th when the Fernie club will cross swords with the Lethbridge Sugar Kings.

The club has also announced that interested players can still join the team by contacting any member of the executive. A canvass of Coleman is being made to raise funds for the Legion team and reports indicate that most generous donations have been made by the Legion, the United Mine Workers, Coleman Local, and the Grand Union Hotel.

A canvass is also being made in Fernie and reports show that canvassers are receiving a warm reception. Names of donors will be published at a later date.

C.N.P. Water Problems To Be Discussed

Harry Strom, Minister of Agriculture, has, during the past week, written letters to all the Mayors, secretaries and town officials in the Crows Nest Pass area regarding a meeting to be held to discuss water problems in the Crows Nest Pass.

The letters advise that the Department of Agriculture, through its Water Resources Branch, has recently been contacted regarding water problems in the Crows Nest Pass area. These have been considered by the Cabinet and the following decision reached:

Because of their involvement with several municipal administrations and types of administration, it was decided that a meeting be convened with all of the municipal administrators in the Pass area, and a committee of Cabinet together with some members of their respective departments. The purpose of this meeting would be to propose and discuss policy that will assist Government to better co-operate with the Pass area in the many and varied problems arising from time to time.

This meeting will be held at Fort Macleod in the basement of the Palomino at 4:00 p.m. on October 29th.

The Cabinet ministers in attendance will be the Hon. Messrs. A. J. Hooke, Russell Patrick, J. McKinnon, Harry Strom and the Hon. Dr. J. Donovan Ross.

Because of the future potential of the Crows Nest Pass area and the work necessary at the present time, which can be better dealt with on the unit area, it is essential that all members of each particular administration be in attendance.

Following the meeting a dinner is to be tendered in the evening by the Government for all who are present at the meeting.

C.N.P. Hospital Auxiliary Have Successful Year

The annual report of the Ladies' Auxiliary to the Crows Nest Pass Municipal Hospital indicates that the group enjoyed a very active and successful season last year.

Reports indicate that the group comprises 29 members with an average attendance of 17 members at ten meetings. An engraved silver mug was provided by the group for the New Year's Baby, and gifts were provided for hospital patients on Mother's Day, Father's Day, Easter, and Christmas.

Time gifts were delivered personally by the president and an Auxiliary member to the patients. Daffodils at Easter and ribbon corsages on Mother's Day were extra. The ladies sponsor a show case in the hospital waiting room where candy, chocolate bars and cigarettes are on sale. Hand-knitted items such as baby outfits, TV socks, crib quilts and novelty dolls are on display in the waiting room and these sale items are made by the members with wool supplied by the Auxiliary.

Ten members of the Auxiliary meet twice monthly throughout the year and sew and mend wearing apparel and linen for use in the hospital wards, operating room and kitchen.

A play pen, toy chair and two chrome high chairs were purchased by the Auxiliary for the children's ward and two of the members made and donated a Sunburst quilt for a raffle held by the Auxiliary. Ten members served refreshments and assisted with the Red Cross Blood Donor Clinic in May.

At the Auxiliary's regular meeting held in October, President Mrs. Lloyd (Anne) Williams, reported that the bake sale held in Blairmore on September 12 was very successful and thanks have been extended to the community for their support and donations made towards the sale.

It was also announced at the meeting that the Scholarship offered annually to the students in the Crows Nest Pass entering the nursing profession was awarded to Miss Grace Powlyk of Coleman.

The Scholarship was presented at the Horace Allen high school on September 17 awards night.

BURSARY WINNER

Miss Audrey Mautort, 17-year-old daughter of Mrs. A. Mautort of Cowley, and a graduate of Lundbreck high school, was chosen recently to receive an education bursary from Captain McPhail Chapter of the I.O.D.E.

Miss Mautort, who attained an average of 83 per cent in June's Grade XII departmental exams, is now taking her first year in Science at the Lethbridge Junior College.

Miss Mautort is a niece of Mrs. Leon Faurville of Coleman.

W. L. Krish, congregation overseer for the Coleman Congregation of Jehovah's Witnesses, attended a three-day semi-annual Watchtower convention at the Lethbridge Civic Sports Centre.

An audience of 444 listened attentively to A. M. Didur, visiting speaker from Toronto, Ont.

In his discourse entitled "Our Divided World — Is It Here to Stay?" Mr. Didur illustrated with Bible texts the hope of a unified world under God's direction.

He said "Men have divided themselves through political ideologies, hundreds of religions, racial discrimination and economic inequality."

Mr. Didur emphasized that "Our divided world is not here to stay, because God has purposed the unifying of mankind. The first step would be speaking the truth earth-wide, which instills love of neighbor."

He said this will come in our generation.

The first bridge across the Schoellens Gorge in Switzerland opened the St. Gotthard pass to traffic in 1227.

Mayor Pleased With Sewerage Vote

Mayor John Holyk and ex-Mayor Jack Ostash of Coleman, have expressed their satisfaction with the outcome of the voting in Coleman October 14th, when a 73.9 per cent majority of ratepayers voted in favor of council borrowing the sum of \$250,000 to install a sewerage system to serve the town.

Both men have expressed their feelings that this move by Coleman citizens will attract more industry and building for Coleman besides providing an optional service for the residents of the town.

With the installation of the sewerage system a great many problems that have continually faced council will be eliminated, and those citizens so affected will now be able to enjoy more modern conveniences in their homes.

Coleman will be the first town in the Crows Nest Pass to enjoy sewage facilities as other towns have voted against their councils borrowing the necessary money for a sewerage system.

It is expected that work on the system will get underway as soon as preliminary arrangements are made. Cost of the system will be \$250,000, and this loan will be repaid by issuing debentures to be repaid over a period of 25 years in semi-annual installments with interest not to exceed 7 per cent per annum. Plans, estimates and specifications have been prepared by the firm of Underwood, McLeelan and Associates Ltd., consulting engineers of Calgary.

Lively Election In Coleman

John Holyk, newly elected mayor of Coleman, will be taking over the reins of the newly elected council this month.

A healthy interest in civic matters saw 56.4 per cent of the eligible voters turn out on election day and 73.9 per cent voted in favor of the council borrowing the sum of \$250,000 for the installation of a sewerage system for the town.

The three vacancies on council were contested by five nominees, with the following results being announced:

Ted Kryczka (incumbent), 263.
Mel Cornett (incumbent), 243.
John Owen, 226, and defeated nominees were Louis Bubniak, 149, and Joe Wavrecan, 140.

There were ten spoiled ballots. Elected by acclamation to the School Board of Trustees were incumbents James Park and William Skura.

James 'Jim' Stewart Passes At Age 84

James "Jim" Stewart, Blairmore old-timer died in Pincher Creek Hospital on Thursday following a period of ill health.

He had been living in the Crest View Lodge for the past three years.

Mr. Stewart, age 84 years, was born in Lesmahagow, Lanark, Scotland, July 7, 1880. He came to Canada 57 years ago, settling in Nova Scotia, where he worked for two years. In 1909 he came to Blairmore and has resided here since.

He was employed as an outside worker for the West Canadian Collieries Mine at Blairmore and he worked here until his retirement in 1951.

He was a member of the Blairmore Elks Lodge, the UMW and a one-time member of the Knights of Pythias.

He was predeceased by his wife Margaret in Blairmore on September 29, 1964; one son James, serving with the Canadian Army overseas in France in 1944, and by two brothers in Scotland and one sister in Vancouver.

Surviving are five sons, Andrew, Peter, Millar, John and William, all of Blairmore, and one daughter, Mrs. Margaret Johnson of Coleman; eight grandchildren and one great-grandchild.

Funeral services were held in the Blairmore United Church at 2 p.m. on Saturday, October 10th, with Rev. Jas. Iwanas officiating.

Cremation followed in Calgary. Fantin's Hillside Chapel of Coleman were in charge.

OF MANY THINGS
(By Ambrose Hills)

The Little Man Should Yell

Once upon a time organized business put up a good fight against excessive taxes. The Canadian Chamber of Commerce and the Canadian Manufacturing Association made up strong representations on behalf of all taxpayers—large or small.

They did not carry enough weight. Farm groups and consumers' groups did not support them. Neither did the individual Canadian—those of us who are not organized. We did not write to our Members of Parliament. Indeed, many of us did the opposite. We encouraged the various governments to spend. We kept asking for more services.

I notice that the business community is now fighting its own battle. I believe they feel that if the little guy is not interested enough or smart enough to press for tax reductions, why do the fighting for him? Instead, business can tend to its own knitting and ask for Corporate reductions and a wider tax base. If the little people insist on all these services, might as well let them pay for it. At least let them know they are paying by making the taxes direct.

I think it is time we unorganized people did some grousing. Each of us ought to tell the politicians to cut out the heavy spending.

It is a time for consolidation of the gains made. The cost of living will keep on going up unless we do. Unless we are prepared for that the little man should yell as loud as he can.

**Recommend Make-up
Instead of Masks
For Hallowe'en**

Hallowe'en night is a pretty exciting time for children. But, unfortunately, it can be a dangerous time! With all the flurry and scurry of looking for "trick or treat" children neglect to "stop, look and listen" before crossing the street. "Accidents can be caused so easily, not only by the normal excitement of the evening, but by masks with small eye holes that obscure a child's vision. Masks, too, sometimes slip, preventing freedom of sight. For this reason we recommend strongly that make-up, not masks, be used this Hallowe'en," commented Dr. Douglas Grigg of Lethbridge, Public Relations representative, Alberta Optometric Association.

"Every year our newspapers carry stories of children running out in front of cars or falling up or down stairs because they simply can't see properly," added Dr.

Grigg.

Small children will find make-up far easier to cope with than sliding masks. Older children will find they have more fun designing their make-up faces than they would ever have with ready-made masks.

Alberta's vision specialists point out that make-up masks are easy to use. All that is needed is cold cream, lipstick, talcum powder and that old favorite, burnt cork. If you want more dramatic faces, grease paint will do the trick.

Wearing white — and plenty of it — is also urged by the Alberta Optometric Association as a Hallowe'en safety measure. It is suggested that a white pillow-case be used to gather up the Hallowe'en "loot" instead of a brown paper bag.

"This year, try masking with make-up," say Alberta's optometrists. "Children will feel wonderfully different, and you'll feel happier knowing they have full visual freedom."

**DID YOU
KNOW?**

When an employer is advertising for an applicant with a required skill, the National Employment Service can save him the time-consuming task of interviewing large numbers of applicants for a particular job. The N.E.S. has officers trained in the art of screening and selection of suitable applicants, thus leaving the final selection to the employer.

Here's one good reason!

**\$500.00
CASH**

You Get a \$500 Cash Incentive

To help keep Canada's building trades busy and productive during the winter season, the Federal Government is again offering to pay a \$500 cash incentive to those who build or buy a winter-built home for their own occupancy.

What is a Winter-Built Home?

A winter built home under this program is one that has not proceeded beyond the first floor joist stage by November 15th and is substantially completed by March 31st, 1965.

How Do You Proceed?

It's easy. Pick up an Application for Certification form at your National Employment office or Central Mortgage and Housing Corporation office, fill it out and mail to your nearest CMHC office. If you wish, your builder can do this for you. Complete information on the program is included on the application form.

Act Now

See your builder and arrange to have your home winter-built. Help yourself to that \$500 cash incentive and help Canadian industry stay busy throughout the winter.

Last Winter more than 28,000 homes were built under this program.

C.N.I.B. To Host Blind African Student

The Southern Alberta District Board of the Canadian National Institute for the Blind some time

ago extended an invitation to the Royal Commonwealth Society for the Blind in London, England, to send a blind student from some lesser developed part of the Commonwealth to visit Calgary. The purpose behind the invitation was to allow this student to work with

the local C.N.I.B. personnel for a period of several months so that he may learn at first hand of the complete service program of the Institute and also as to how a CNIB district operates. It is the hope of local CNIB officials that this will better equip the individual to return to his home country to assist in developing their program for the blind.

Arrangements have been finalized recently for Mr. Obed Mwaba of Northern Rhodesia to arrive in Calgary where he will reside for the next six or seven months at the new CNIB residence at 1260 Memorial Drive, East. After his stay in Calgary he will stop off at the Royal Commonwealth Society for the Blind office in London for three month administrative course prior to returning to Northern Rhodesia.

Mr. Obed Mwaba was born at Mununga, Luapula Province some 27 years ago. This is still a fairly primitive area and also a semi-tropical district where frost is unknown. The change to our Canadian climate therefore may be quite an adjustment for Mr. Mwaba. Obed lost his sight at the age of five and has received all of his school as a blind person. In 1946 his mother enrolled him in Johnston Falls Mission School for the Blind where he attended until 1955 and from 1955 to 1957 he attended Magwero School for the Blind where he gained his Standard VI. Despite his blindness Obed was second in all the Eastern Province in his Standard VI examination. Following this he took a course for teachers for the blind at Bwana Mkwana and was appointed to Kambo where he has been teaching ever since.

While teaching the blind, Mr. Mwaba has continued to improve his own education through correspondence courses in Braille.

Currently he is writing examinations to obtain his General Certifi-

cate of Education which is the approximate equivalent to a Canadian Senior Matriculation.

Because of his interest in continuing his studies, Mr. Mwaba was chosen by the Royal Commonwealth Society for the Blind to take advantage of the invitation to spend several months at the CNIB Calgary office.

Mr. Mwaba is a married man with two children and although he does not look forward to the long separation from his family, he is willing to make this sacrifice to better himself. He is an ardent Braille reader and prefers serious reading rather than light material. He is bringing with him several of his Braille text books so that he may continue to study there while in Canada. In Northern Rhodesia he has been very active in both church circles and the League of the Blind. He is fond of music, both African and Western and speaks English very well.

This is the first time that a blind student from some other part of the world has been invited to spend a lengthy period in a CNIB district office for experience, although last winter another blind African from Kenya did spend about five months at the CNIB National Office in Toronto where he participated in a special course which is normally given to CNIB personnel. Transportation costs for Mr. Mwaba have been arranged in Northern Rhodesia while the CNIB will provide him with board and room, etc., while in Calgary. The Calgary Downtown Lions club who have assisted the CNIB financially to erect their new centre will be providing Mr. Mwaba with any out of pocket expenses during his stay.

Letter to the Editor PATRIOTISM (By M. G. Hansford)

As one whose touch on the nation's pulse is probably the most sensitive, what, in your opinion, is happening to our patriotism?

Take, for example, this vexed squabble about "a distinctive Canadian Flag" — what do these pasky Pearsonites want, and WHY?

All Canada, so we hear it whispered. The moon? Perhaps. Uncle Sam and the Soviets are after it. The fleur de lis, which the Quebecois prate about so blithely finds on honored place on the Red Ensign, but is conspicuously absent from the maple leaf design. By Order-in-Council PC 5886 the Red Ensign was authorized as "A Distinctive Canadian Flag", and is so recognized the world over.

The disturbing element for a new flag stems mainly from a conspiracy of non-Canadians who have set themselves to wreck Canada and the whole Commonwealth.

I have read a great many of the letters on the flag appearing in the press; also the Hansard debates, but I have yet to discover one solitary cogent business reason WHY the new flag should supplant the Ensign. The burden of the Liberal speeches reads like the yammerings of a three-year-old yelling for a new toy, "I want, I want. Gimme, etc." ad nauseum. The maple leaf, admittedly beautiful, has no spiritual significance whatsoever — absolutely nothing to inspire patriotism or anything to reverse the memory of Canada's founding ancestors, but the Ensign is firmly established on the cross of Christ and three flags representing England, Scotland and Ireland.

It is the glory of a nation to display its honors won on the battlefield. On this account alone it serves as a relic of the memory of the thousands of gallant French-Canadians who sleep in Flanders fields and elsewhere.

Breathes there the man who would disgrace that sacred heritage by substituting a design utterly devoid of the essential distinction which the Ensign so amply and worthily exhibits? No other emblem is so well qualified to serve as Canada's ambassador to the world.

To those who would shirk this filial duty and divorce their allegiance to set up their own standard of government, the words of Sir Walter Scott incisively apply:

"The wretch concentrated all in self / . . . shall go down to the vile dust from whence he sprang — unwep, unhonored and unsung."

And I believe that Shakespeare would add a friendly caution — "Let no such man be trusted".

So let us keep the Red Ensign waving majestically as it deserves and honor its symbolism in our national life.

Lynda Dann

of Vulcan

AN ALBERTA JUNIOR CITIZEN OF THE YEAR

It was a warm Sunday, and the water of Racehorse Creek, near Coleman, was temptingly cool. Suddenly, young Robert Comin and his cousin Roxanne Graham stepped into a deep under-water hole.

Robert was rescued but his father drowned trying to reach Roxanne.

15-year-old Lynda Dann, who was fishing upstream, raced to the disaster scene. She dived in and saved Roxanne. Then, while Lewis Blair of Pincher Creek revived the rescued child, Lynda went back and recovered Mr. Comin's body.

This courageous girl is an honors student and Junior Church Camp life guard. She has her Bronze Medallion for life-saving proficiency.

We congratulate Lynda, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year Program — sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award Winner announcements. Special thanks to R. C. R. Munro, Editor of The Vulcan Advocate and to Lynda's nominator, M. Dale Phillips, Supervisor of the Vulcan Lions Swimming Pool.

Canadian Theatre (Clayton Bricker)

As an outgrowth of the Canadian Conference on the Family, called by His Excellency Governor-General Vanier, and held at Rideau Hall, his Official Residence in Ottawa, June 7-10, 1964, the Canadian Film Institute and the National Film Board collaborated in bringing out a catalogue of 16mm Films On The Family.

The Canadian Film Institute is a

private, non-profit organization located at 1762 Carling Avenue, Ottawa, whose purpose is to promote and assist the provision of documentary subjects in every facet of film service; to serve as a liaison body between world-wide producers and individual users of films, as requested at home and abroad.

This collaboration between the Institute and the Board makes National Film Board offices nationwide requests for catalogues and nationwide outlets for these films.

services to your local office at 312 Federal Building, Lethbridge. Come in, telephone or write.

Subjects are presented under 20 headings and in an alphabetical index. They make an extensive, well annotated list, running to 33 pages English and 15 pages French titles. Some subject headings are:

Law and the Family, Education and the Family, Religion and the Family, Youth and the Family, Mass Media and the Family, Family Roles and Relationships, Communication Between Generations,

Physical and Mental Health.

Some film titles are:

Angry Boy and Hard Brought Up on delinquency, Child in the Middle—co-operation between home and school, Children Limited and Eternal Children—retardation, Threshold—The Immigrant meets the School, Willie Catches On—how prejudice is planted; Strike In Town and The Little Acres—impact of industrialization; Communications in the Modern World, In Search of Home—adoptions; Nancy Edwards—Public Health

Nurse; Growing Old—problem of an aging population.

Courtship, Marriage Today, Who's Boss, Roots of Happiness, quite obviously deal with love, marriage and satisfying family life. Shyness, Sibling Relations and Personality promote an understanding of the growing child, to mention but two from a wide list in this interest area.

Physical and Mental Health are covered with a fine selection of titles. In fact, all family-centred organizations will find much helpful material in this catalogue for program planning over the coming Fall and Winter season.

Built-ins invite better living

Today's new and remodeled homes are easier to clean, and keep clean, and easier to work cook and serve in, because the nation's builders are designing and equipping them with the homemakers needs in mind.

This is especially important today, with family life and activities centering closely around the home. Television and expense of outside entertaining are encouraging families to spend more time at home and to do more home entertainment. Ordinarily this would make housekeeping more difficult. Due to built-in time and labor saving conveniences the opposite is true.

Air conditioning is becoming a common feature in homes. Not only does it keep the homes at a comfortable temperature, but it makes for less cleaning by filtering dust from the outside air before circulating it in the room.

Kitchen ventilators are now being installed which completely change stale kitchen air in three minutes, insuring the homemakers a fresh atmosphere in which to work. These units can operate on less current

than a 500-watt bulb.

Builders are incorporating new, easy-to-clean windows which eliminate the bulky, drafty ash-weight boxes that admit large amounts of dirt into the house.

Single storey, basementless construction removes tiring stairs from the house; interiors are decorated with new, easily washable paints; kitchen surfaces are finished with stain-proof, non-marring plastic.

New types of flooring eliminate dust—thus keeping houses cleaner. At the same time, tests show these new materials are less fatiguing than the older types of flooring for the homemaker to walk and stand on.

In the kitchen, where the homemaker spends a good part of her day, a housekeeping revolution is afoot. New fixtures and appliances eliminate backbending, saves steps, and cut minutes and hours from performance time for various chores.

Time consuming and tiring hunting and reaching for pots and pans is avoided by storing them on wall racks or in special storage with pullout shelves or gliding holders.

New kitchen cabinets have doors which lift up and out of the way at the touch of a finger.

Advertising helps to reduce consumer demand for scarce commodities by diverting public demand to other more readily available commodities.

tv TALK

VIEWING HIGHLIGHTS FOR THE COMING WEEK

OCT. 24 to 30

Sports events of a varied nature are spotlighted Saturday, October 24th on the CBC-TV network.

Heading the list of events to be seen that day is the Canadian Horse Racing Championship from Toronto. Daryl Wells calls the race as top thoroughbreds in North America compete for the \$5,000.00 add'l purse. The race is run over a mile and five-eighths turf course at Woodbine race track. It will be telecast at 2:30 p.m. in Manitoba and Saskatchewan, and 1:30 p.m. in Alberta.

The 1964 Olympic Games being held in Tokyo will receive further coverage on the CBC-TV network at 5:00 p.m. Later that day, Bill Hewitt reports from Maple Leaf Gardens as the Toronto Maple Leafs play the New York Rangers.

Game time is 6:30 in Manitoba and Saskatchewan, and 5:30 in Alberta. The CFL football game Saturday night at 9:30 p.m. in Manitoba and Saskatchewan, and 8:30 p.m. in Alberta, could conceivably determine the team that will finish first in the Western Conference League.

It pits British Columbia Lions against the Saskatchewan Roughriders. At the time of writing B.C. is in first place with 19 points and Saskatchewan in third place with 16 points. (The Lions have four games left to play and the Roughriders have three remaining ones).

On Sunday, October 25th at 2:00 a.m. Eastern Canada will return to standard time and although this will not disturb the over-all CBC-

TV schedule, it will mean that "live" shows will now be seen one hour later in the prairie provinces.

Sports fans should take particular note of the change because the first program to be affected is the NFL telecast Sunday afternoon.

Beginning that day National Football League games will start at 1:00 p.m. in Manitoba and Saskatchewan and 12:00 noon in Alberta. The game Sunday is between the Dallas Cowboys and the St. Louis Cardinals and will take place at Busch Stadium in St. Louis.

This Hour Has Seven Days — CBC-TV's thought-provoking public affairs program at 10:00 p.m., Sunday, presents a candid interview with George Lincoln Rockwell, the leader of the U. S. Nazi Party. Rockwell is interviewed in Washington by Producer Doug Leiterman and reporter Robert Hoyt. He discusses his party's anti-semitic views and his views on the upcoming U. S. presidential elections.

A new drama by Len Peterson about two lonely young intellectuals with diametrically opposed backgrounds but much in common nevertheless, and a pretty girl torn between their love will be presented on CBC-TV's Show of the Week October 26 at 8:00 p.m.

The play, titled "Between the Silences of Love", stars Peter Donat and Patricia Collins and introduces Michael Sarrazin, a promising young Montreal actor.

The first of eight concerts scheduled this season on CBC-TV's Festival will be presented Wednesday night, October 28th at 9:30 p.m. Entitled Premiere, the hour-long

program of music and ballet will present the great Russian pianist Sviatoslav Richter on his first North American TV appearance.

Canadian born Lynn Seymour and Christopher Gable, principal dancers of the Royal Ballet, London, will give the opening performance by English choreographer Kenneth MacMillan.

The CBC Festival orchestra will be conducted in this part of the program by Victor Feldbrill, Musical Director of the Winnipeg Symphony Orchestra.

BIRTHDAY PARTIES

A surprise party was held on Thursday, October 1st at the home of Mrs. W. Holly, when a number of her friends gathered to honor her on the occasion of her birthday.

A delicious lunch was served, including a birthday cake (made by Mrs. J. Kulig). Mrs. Holly thanked all present for their lovely gesture and gifts bestowed upon her.

A number of friends met at the home of Mrs. Gordon Marconi to honor the occasion of Mrs. J. Dick's birthday on Tuesday, October 6th.

A delicious lunch was served by her daughter, Mrs. Marconi.

Mrs. Dick very ably thanked the friends assembled for the gifts and best wishes.

The "Journal" joins in wishing these two citizens "Many Happy Returns of the Day".

BIRTHS

PATTERSON — Born to Mr. and Mrs. D. E. Patterson, a son, on September 21st at the Crows Nest Pass Municipal Hospital. He will be given the names Donald James.

WHITE — Born to Mr. and Mrs. Gordon White, a daughter, at the General Hospital, Calgary. She will be given the names Michèle Jean.

Mrs. Burrell To Reside In Edmonton

Mrs. Cecilia Burrell, one of Coleman's old-timers, having resided here for the past 43 years, has given up her home and will reside in Edmonton in the future where her daughters, Mrs. D. B. Young and Mrs. T. Hibbert and other relatives reside.

Friends in Coleman wish Mrs. Burrell good health and contentment in her new surroundings.

C.W.L. Bazaar, Tea On October 24

The Coleman Catholic Women's League has this week announced that the annual bazaar and tea is to be held in the Catholic hall from 2:00 p.m. to 5:30 p.m. on Saturday, October 24th.

A pantry table, apron table and novelty table will again be featured at the annual event as well as a fish pond for the children. Draw for the annual tombola prizes will be made during the afternoon. All are invited to attend this function.

IN MEMORIAM

Gary Fry

of Edmonton

AN ALBERTA JUNIOR CITIZEN OF THE YEAR

Imagine yourself, as a twelve-year old boy, having complete charge of a household — shopping, cooking, cleaning, washing, ironing and maintaining a large kitchen garden. Gary not only does all this, but also cares for his mother, who is confined to a wheelchair. He takes her for walks after school — helps her with copper tooling and ceramic tile work. He can stuff and cook a turkey. He waxes and polishes the floors, and still maintains above-average grades at school. We congratulate Gary, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program sponsored by Alberta's investor-owned electric utility companies.
